Shaping the future of AI in healthcare: NHS and RCR Global AI Conference 2025

3-4 February 2025, QEII Centre, London and Online

Embracing a diverse range of clinical specialties

The NHS and the RCR is excited to announce our inaugural Global AI Conference. Join us as we unite hospital leaders, clinicians, policymakers, allied healthcare professionals, NHS managers, trainees, educators and innovators to:

- Showcase the future of AI in healthcare
- Provide in-depth analysis of the practical implementation of AI
- Give guidance on regulation and best practice
- Present case studies of successful AI implementation
- Upskill attendees in all aspects of AI

Super early bird ends 10 June 2024 11:59pm (save up to £150)

Featuring four streams on:

- Education and research
- Delivery and practice
- AI showcase
- Industry developments and advancements
