

BSIR Advanced Skills Course 2025 Meeting Programme

Thestudio, Leeds

Wednesday 23rd April		
08:30-08:50	Coffee and Registration	
08:50-09:00	Introduction to Interventional Oncology	
09:00-09:20	IO in Liver Cancer	
09:20-09:40	IO in Renal Cancer	
09:40-10:00	IO in Lung Cancer	
10:00-10:20	IO in Bone Cancer	
10:20-10:40	Coffee Break	
10:40-11:00	Is it helpful to have stereotactic guidance in IO?	
11:00-11:20	Do we need ablation margin confirmation in IO?	
11:20-11:30	Comfort break – participants split into groups 1-6	
11:30-12:30	Rotating Workshops	Workshop 1: IO Renal Ablation- The 'How' to do it
		Workshop 2A: Stereotactic Guidance in Image Guided Ablation
		Workshop 2B: Ablation Margin Confirmation
		Workshop 3: IO Liver Ablation: The 'How' to do it
12:30-13:30	Lunch	
13:30-14:30	Rotating Workshops	Workshop 1: IO Renal Ablation- The 'How' to do it
		Workshop 2A: Stereotactic Guidance in Image Guided Ablation
		Workshop 2B: Ablation Margin Confirmation
		Workshop 3: IO Liver Ablation: The 'How' to do it
14:30-15:00	Industry Walk-around (hands-on)	
15:00-15:20	Coffee Break	
15:20-16:20	Rotating Workshops	Workshop 1: IO Renal Ablation- The 'How' to do it
		Workshop 2A: Stereotactic Guidance in Image Guided Ablation
		Workshop 2B: Ablation Margin Confirmation
		Workshop 3: IO Liver Ablation: The 'How' to do it
16:25-17:25	MDT	
17:25-17:30	Feedback forms to be completed	
17:30-18:30	Drinks Reception – All are welcome	

Thursday 24 th April		
08:00-08:20	Coffee and Registration	
08:20-08:30	Introduction to Non-Vascular Intervention	
08:30-08:50	Sedation	
08:50-09:10	HPB Intervention which case should go to Endoscopy?	
09:10-09:30	HPB Intervention which case should go to Interventional Radiology?	
09:30-09:50	GI Intervention: Gastrostomy	
09:50-10:10	Coffee Break	
10:10-10:40	BSIR- a strategy for the future	
10:40-11:00	GU Intervention	
11:00-11:20	Difficult CT Guided Intervention- the 'Do' and 'Don't'	
11:20-11:40	Human Factors in Interventional Radiology	
11:40-11:45	Comfort Break – participants split into groups 1-6	
11:45-12:45	Rotating Workshops	Workshop 1A: 'Safety' Café: Human Factors in Interventional Radiology
		Workshop 1B: Difficult CT Guided Intervention- the 'How' to do it
		Workshop 2: Case based in Urogenital Intervention: the 'How' to do it
		Workshop 3: Case based in HPB/GI Intervention: the 'How' to do it
12:45-13:30	Lunch	
13:30-14:30	Rotating Workshops	Workshop 1A: 'Safety' Café: Human Factors in Interventional Radiology
		Workshop 1B: Difficult CT Guided Intervention- the 'How' to do it
		Workshop 2: Case based in Urogenital Intervention: the 'How' to do it
		Workshop 3: Case based in HPB/GI Intervention: the 'How' to do it
14:30-15:00	Industry Walk-around (hands-on)	
15:00-15:20	Coffee Break	
15:20-16:20	Rotating Workshops	Workshop 1A: 'Safety' Café: Human Factors in Interventional Radiology
		Workshop 1B: Difficult CT Guided Intervention- the 'How' to do it
		Workshop 2: Case based in Urogenital Intervention: the 'How' to do it
		Workshop 3: Case based in HPB/GI Intervention: the 'How' to do it
16:20-17:05	M&M Case based discussion: Beware of the pitfalls	
17:05-17:10	Feedback forms to be completed
